VETERINARY EXAMINATION –

Based on criteria for

- Suitability for Purchase for Racing Syndication

Name: unnamed **Sire:** Choisir **Dam:** Citidevil '07

Sex: Filly **Colour:** Chestnut **Height:** 15 H (approx) **Age:** 1

Agent: Supreme Syndications **Person requesting exam:** Les Young

Markings: as per Magic Millions catalogue - January Yearlings Lot 332

Brands ns: ___ over W **os:** 10 over 7

The above described, horse was examined at the Magic Millions Sales complex at Ascot Court, Bundall, Qld by me on 8th January 2009.

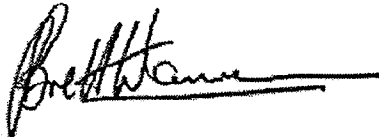

A long framed filly with strong hind quarter was examined on the lead at hand in the yearling sale examination area. All clinical parameters were within normal limits. There was no evidence of injury to her extremities. This examination is within the limits of yearling sale examinations.

The upper respiratory tract was examined endoscopically post sale and the larynx and pharynx were found to be normal in appearance and function and pass the Sale Conditions.

Radiographs had been provided by the vendor to the repository, these were examined and found to have no significant abnormalities.

This exam and report is limited to the conformation, x-ray and clinical inspection noted herein.

Conclusion: At the time of this examination the chestnut filly "Lot 332 – Citidevil '07 / Choisir" is in so far as can be determined from the examination conducted is suitable for syndication and as such is furthermore suitable for all risk mortality insurance cover.
