Dear Mr. Galluzzo,

Thank you for again using my consultancy services in the selection and purchase of the Fastnet Rock filly from Whipping at the recent Magic Millions Yearling Sale at the Gold Coast.

Given that yearlings by this hot young Danehill sire averaged more than \$200,000 at this sale I feel she was very well bought from Lakeview Stud.

Having inspected all the Fastnet Rock yearlings in the Magic Millions Sale I rated your filly as one of the best on type – attractive, feminine, correct and with good length.

As a particularly early foal she should have good prospects of racing as a two-year-old and with such a strong female pedigree should hold considerable residual value as a broodmare prospect when she finishes racing.

Like a number of recent stakeswinners worldwide, this filly is linebred to the great sire Danzig and is bred on very similar lines to Zipping who is by Fastnet Rock's sire Danehill from Whipping's dam Social Scene.

Also closely related to outstanding, classic winning European stayer Scorpion, your filly comes from a family that works exceptionally well with Danehill as you will note that her third dam Ardmelody produced two important winners, Garuda and Danish Melody, by Danehill. Another point of interest is that your filly carries no fewer than five lines of Northern Dancer's famous dam Natalma, an excellent pattern for a female.

Best of luck to your syndicate with this lovely filly – hope she will be very successful on the track and provide lots of fun for her owners.

Yours faithfully,

Les Young
