Dear Mr. Galluzzo,

After several attempts I was very pleased to negotiate on your behalf to purchase a filly by champion sire of two-year-olds More Than Ready (USA) at the Australian Yearling Easter Sale in April.

More Than Ready (USA) has sired the past two winners of both the Golden Slipper Stakes and the Gold Coast Magic Millions and again this season will be Australia's leading sire of 2YOs. He was fully booked last year at a fee of \$100,000 plus GST and he is one of the few stallions in the country who has had a fee increase for 2009. This year he will stand for \$135,000 plus GST which highlights the value of the filly we purchased.

Your filly is the first foal of the Danzero mare Bold Countess, a winner of four races including one as a 2YO and a placegetter at Randwick. She, in turn, is a daughter of the brilliant Alshandegha, winner of the VATC Debutante Stakes and other good races and a wonderful producer of nine winners from the family of another outstanding 2YO and producer in Bold Promise.

When I inspected the filly I was impressed by her conformation as while she is not a large filly she is very neat, well put together and a very good walker.

Of great significance is the fact that she is bred on the broad More Than Ready/Danehill cross which has already produced the Golden Slipper winner Sebring, Victoria Derby winner Benicio and another Group 1 winner Perfectly Ready, now a stallion in New Zealand.

I'm sure your syndicate will have a lot of fun racing this nice filly who should hold considerable residual value as a future broodmare.

Yours faithfully,

Les Young
