Supreme Thoroughbreds Syndications
PO Box 121
LIVERPOOL NSW 1871

Dear Mr. Galluzzo,

I feel we were lucky to be able to buy the Not a Single Doubt – Continuously filly at a very reasonable price at last weeks' Classic Yearling Sale in Sydney.

She is a strong, very attractive chestnut and although not the same colour as her sire she does resemble him greatly and I hope she will continue the good selection record I have for your syndicates.

As you know, Not a Single Doubt is proving a prolific sire of winners and his best advertisement at the moment is this season's brilliant Magic Millions winner Karuta Queen (also a chestnut) while his other stakeswinners to date include Squamosa and Doubtful Jack.

Not a Single Doubt was the first high class racing son of twice champion Australian sire Redoute's Choice and he comes from the family of Snippets, Zizou and Forensics. Latest statistics show that Not a Single Doubt has 79 individual winners from his first 131 starters which gives him a well above average strike rate of 60.3% winners-to-runners.

Continuously, the dam of this filly, was a winner of four races including one in Sydney and her only foal to race to date, Danes Kid, has won two races. Her stakes-placed dam Our Brigetta won seven races in and around Melbourne from 1600 to 2144m and bred five winners.

As Continuously is a daughter of the highly successful international sire Dehere (USA) it is important to note Dehere's outstanding record as a broodmare sire throughout the world. So far his mares have produced 44 individual stakeswinners (6.1% of their runners) and some 502 winners which represents a very high 69.8% of their runners.

Golden Slipper winner Forensics and Victoria Derby winner Rebel Raider are Australian Group 1 winners out of Dehere mares while champion U.S. sprinter Midnight Lute is also out of one of his daughters. It should also be remembered that in Australia Dehere sired many top class winners including Defier, Golden Slipper winner Belle Du Jour and Natural Blitz.

Yours faithfully,

Les Young
