Dear Frank

Please note that this letter is confirmation that I agree to train the Not A Single Doubt /
Continuously (2009) filly purchased from the William Inglis Classic Sale.

I have personally inspected the filly and was happy with what I found. She is a really nice
athletic type and very much in the mould of her sire. I find her to be a filly of good size and
conformation with good balance and presence and I look forward to her joining the stable.

Kind Regards

Joseph Pride
