Valuation:

At the request of Mr Frank Galluzzo of Supreme Syndications Bluegrass Bloodstock has provided the following written valuation below for the 2yo Your Song /My Cherie filly.

It must be noted that this valuation has been provided sight unseen, but we have taken into account the veterinary certificate provided by Silver Pines Veterinary Clinic on the 21/09/2020 which states that the Your Song filly is in good health and condition, body and leg conformation is within normal limits, she has a grade 1 scope and her radiographs taken displayed no major abnormalities for her future as a racehorse.

It also must be noted that Bluegrass Bloodstock doesn't have any financial interest in this particular Your Song filly and this valuation has been provided for the purpose of syndication.

In the photo and veterinary certificate provided the Your Song filly looks well grown with good length and a nice strong rein.

The fillies sire Your Song stood at \$22,000 in 2017 when she was conceived, and his 2020 service fee is \$8800 at Widden Stud. Your Song is a sire-son of the Champion stallion Fastnet Rock, and he was a high class racehorse winning the BTC Cup group 1 at 3 years.

At stud Your Song hasn't been a great success, but he has still managed to leave 4 individual stakes winners

At the yearling sales in Australia and New Zealand 2020, Your Song has had 52 yearlings auctioned and sell at an average of \$37,192.

The dam of the Your Song filly is My Cherie who was a handy race mare winning 2 races from only 4starts and both her wins were metro races at Canterbury. My Cherie hails from the family of Champion racehorse Super Impose a winner of 20 races including a Cox Plate.

At stud My Cherie is the dam of 6 foals, 2 of them have made the races with Supreme Rhythm placed at Wyong and Sassenay unplaced at her only start. Star Cherie is an unraced 3yo filly in work with Gerald Ryan/Sterling Alexiou at Rosehill.

I understand the Your Song filly is currently completing her breaking in.

When valuing the Your Song filly Bluegrass Bloodstock has taken into account her pedigree and veterinary certificate which states she is in good health, well grown with sound conformation, including grade 1 scope and no major abnormalities on radiograph. Bluegrass also takes into account that the Your Song yearlings averaged \$37,192 at public auction in Australasia 2020.

It is in Bluegrass Bloodstock professional opinion that the 2yo Your Song filly would have the present value of between \$20,000 to \$30,000 AUD.
